

# Silver Shield Cleanse

Scientist's urgings and warnings can no longer be ignored of the potential of viral and bacterial outbreaks like we've never seen before! I believe that this is not only possible, but likely considering the overuse of antibiotics, poor nutritional quality of our foods, and exposure to toxicity in all its forms.

Silver Shield with Aqual Sol Technology has been PROVEN with scientific testing to eliminate:

1. 99.99% of bacteria, viruses, and molds within 6 minutes of contact including Staph, Strep, and MRSA (if you are aware of these harmful bacteria, and the difficulty antibiotics have of eliminating them, you are probably already in shock about how Silver Shield is so necessary in our world)!
2. Anthrax and bubonic plague
3. Virus H5N-1 (Avian Influenza)
4. SARS in lab testing
5. Candida Albican, E Coli, Pseudomonas, Aspergillus
6. Hepatitis C
7. Tuberculosis, Pneumonia, Colds, Coughs
8. Lyme Disease
9. Malaria and more...

When starting with the Silver Shield it has been recommended to me to do a Silver Shield Cleanse:

1 Bottle 1st day  
1/2 bottle 2nd day  
1/2 bottle 3rd day  
1/4 bottle 4th day  
1/4 bottle 5th day  
1/4 bottle 6th day  
1/4 bottle 7th day

Then 1 tbsp a day thereafter. I am using 1 tbsp am 1 tbsp pm. I note I do not have the hunger like I used to and everyone is commenting on how good my skin looks. Dr Pedersen claims we could take a maintenance

dose for the next 258 years and would not become toxic with this product with the Silver Sol Technology. Also he claims we wont go gray looking.

I am receiving many positive testimonies on how Silver Shield is helping many and including a lot of pets with sores and even glaucoma have been healed.

Nature's Sunshine Silver Shield is on for 10% off each bottle. BE sure to stock up on yours.

Blessings and Gratitude Kathy Deane
